The charges reflected above represent more than 80% of patients served by RML and are averaged for all patients discharged during RML's most recent fiscal year ended May 31, 2019. Actual charges for any individual patient will vary depending upon the services provided, the patient's length of stay, and the acuity of the patient. Additionally, the charges listed above represent hospital charges only. Physician services rendered at RML are not included in the hospital charges and are billed separately.
